

MMC Bocce Ball League

It's a low impact sport!

In the two years running we have expanded from 8 to 20 teams involving over 100 members and wives. We spend an hour a week, out in the sun doing the best we can, all having a good time, playing with friends, and meeting new friends.

Winter Coed Bocce Calendar

September: Announce the next year's season and offer flyer for registration.

Nov 30: Deadline to apply

December: Request court time; identify days and times to the membership. Form teams.

January –April: Play Ball!

Winter Coed Bocce Guidelines

2020 Season and on, will be open to members and members partners only. Dues must be current. We will encourage you to come with four person teams, in any coed or non-coed arrangement. Individuals and couples will be assigned as needed to form teams. We are looking for committed individual. It is unfair to other teams when a whole opposing team is unable to field any players. We will permit substitutes, but would like to minimize their use. While we are casual, we are as competitive as age will permit. We will be requesting Tuesdays and Thursdays from the city, but noting is guaranteed.

Is there interest in a summer league or just summer play? Questions about the fall season? [Contact me, Warren Uh!](#)
