

2021 Season Recap

After 16 weeks of Bocce the 2021 winter season has come to a close.

The Tuesday group winner was Team "Z". Joe and Audrey Calzone, with Tom Brancaleone and Paul Rhoads

Thursday group winner was Team "B". Dennis and Penny Hoelzel, with Terry and Mary Anderson

We also were afforded a mini-playoff on the Thursday group to finish off the season. Despite all attempts from the second and third place teams, Team B held them off in a final 9-15 win, clearly demonstrating their dominance. Congratulations to all.

Look for a "follow on page" in the newsletter with the team members and final placing.

I was my pleasure to be your "guide dog" through the season. I hope more return to the game next year. Look for a call for teams in the October newsletter. What do you say we assign "Team Names" instead of letters next year? I want to be on the "Disrupters"
