

2022 Bocce Season

Date line Oct 27 Warren Uhl

November is sign up time. Teams, couples, or individuals, should send an email to: MMC.BocceLeague@gmail.com Included names, and day or Days you wish to play.

I need a count by December 1 of players to determine number of courts and hours required.

The court time claiming through the city is changing this year. However, I intend to once again get Tuesday and Thursday, late afternoons. We won't be sure until December.

We will start Jan 4 a Tuesday and run through late March or early April, all dependent on the number of teams.

I also hope to present the team's scores and standings this year on the website. Once I figured out how.

I'm always looking for help in this process: I occasionally need someone to pick up scores at the end of the day, put out the clipboard before the first game of the day. Let me know if willing to help so I can tap you if I'm in a jam.
