EAGLE EYE COMMITTEE

The Eagle Eye Committee is a small group of MMC members, usually selected from the Board, who meet before the Board meeting each month to review and proof-read the Draft newsletter prior to publication. Publication usually occurs over the following weekend.

Meetings are typically held at the First Horizon Bank on Elcam starting at 10:30AM , just prior to the Board Meeting.

Contact Lou Makris on 781-258-0456 (cell) if you would like to participate.
