Dear *EDGE* Guest:

We never experience the popularity, reservations for space and the large price increases (outside our group) in every category for a Cruise, as this sailing. The ships space is sold out along with the Club's group of 80 staterooms, reserved by 150 guest.

The attachment "Passengers Accommodations Booked" contains list of the accommodations booked for each person. Important, your accommodations listed has the correct passport name, air city, flight date, Dining Time, post Hotel stay and Category. Should you find a typo, an error or want to make a change, please advise, so we may update booking with the correct information. Select dining wait-listed guest are booked in Main or Late, until ship confirms the booking for select.

The attachment "Passengers Transatlantic Cruise Air and Flight Information" contains flight schedules from London to Miami and a Club first from Celebrity providing an option for a direct non stop flight.

Celebrity has assigned several passengers previously booked as a guarantee, with a stateroom number. Once cruise line assigns the persons guarantee booking a stateroom number, we notify them. The attachment "Celebrity Category Guarantee" previously sent passengers booked as a guarantee stateroom, provides information on Celebrities policy.

The guest requesting reservations for their post stay at London's Grange Hotel for "2" nights on 13th and 14th were all confirmed today. Everyone staying in the same Hotel for "2" nights makes it nice enjoying the City of London with Cruise friends.

The assistance in reducing request for duplicate information previously provided is helpful and appreciate by making paper copies of our emails. Should we received information from Celebrity applicable to Cruise group, it's provided to everyone.

"No communications from the Club indicates all continues well with the Cruise"

Best Regards, The Marco Men's Club
