Passengers wanting to stay in London after Cruise, at a Celebrity Hotel, may take advantage of the group’s early booking opportunity, by submitting their Hotel reservation form no later than **May 21st**. Confirming a room in the Celebrity Hotels, requires no deposit or fee to cancel up to **January 1, 2019**. Cruise Line Hotel space usually sells out fast. Hotel rooms available as a double or single, 1 and 2 nights, May 13th and 14th. Websites provide Hotel reviews.

We suggest, requesting reservations at The **Grange City Hotel**, a 4 stars rated, luxury Hotel. The group staying in same hotel provides each person the convenience of being together from the Ship to London Transfers, their Hotel check-in, Club’s private Tour, Hotel to Airport transfer, Flight Check-in and added Security. On previous London trips we organized an optional private MMC City tour, which provided a better value, more sights, quality guides, security and with the enjoyment of touring with Cruise friends. We plan doing the same for this groups visit.

The ship arrives in England at 5:30 AM, May 13th. Our best time guess: The Coaches transferring guest to Celebrity London Hotels may depart between 7 and 8:30 AM. The distance from South Hampton Port to City of London is 85 miles, requiring 2 to 3 hours travel time, with moderate traffic. Times make for an estimated Hotel check-in 11 AM to 1 PM. The time required by the Tour Company to provide a nice tour, visiting London’s many famous sights, cruising the Thames River etc., determines when the tour is possible. The Optional London tour information provided later.
