### \*\*\*\*\* CELEBRITY'S COVID-19 POLICY\*\*\*\*\*

All **vaccinated** guests must present a negative COVID-19 test result taken as either as an **Antigen or PCR** test conducted **within two days of embarkation** and complete a health Questionnaire prior to sailing. All **unvaccinated children** between the ages of two and eleven years old, will be required to bring a negative **Antigen or PCR** test result conducted **Within three days** of embarkation. The CDC has advised unvaccinated guests cannot be tested twice in one day as it may affect the accuracy of the test results, therefore the **COVID-19 test required before arriving at the terminal cannot be taken on boarding day**. Currently all fully vaccinated guests requiring a COVID-19 test to return to their home country will be provided the option to receive complimentary testing onboard prior to disembarkation. Proof of return travel scheduled within 24 hours of disembarkation will be required. As of Tuesday, November 16, 2021, for new bookings, home country re-entry testing crew and guests who are eligible to be vaccinated must be fully vaccinated with all initial doses administered at least 14 days prior to sailing. COVID-19 Booster Vaccine shots are not required to sail on Celebrity Cruises. [View Vaccine FAQ's](#). NOTICE: Proof of vaccination will be recorded and may be reviewed for signs of fraud. Unauthorized use of an official government agency seal such as the Centers for Disease Control & Prevention seal is a federal crime and will be reported to the relevant government authorities testing will be available onboard for a fee of \$55 per person for an Antigen test or \$95 per person for a PCR test. We are sailing with fewer guests' for more space—and more luxury. Our enhanced cleaning and sanitization protocols and enhanced medical center set a new Industry standard. The HVAC system continuously supplies and filters 100% fresh, filtered air to all spaces. You can breathe easy knowing the robust system's layers of protection Make the transmission of aerosol particles between spaces extremely low to virtually impossible. COVID-19 rules are changing frequently. Updates provided with significant changes.
