

Marco Men's Club

Bocce

Marco Men's Club Bocce League's second annual awards "dinner banquet" was held at the Brewery. Well, actually a lunch. Okay it was 2 in the afternoon. We enjoyed lunch and dinner depending on your point of view.

We recognized the top teams.

In the two years running we have expanded from 8 to 20 teams involving over 100 members and wives. We spend an hour a week, out in the sun doing the best we can, all having a good time, playing with friends, and meeting new friends. Let's just say it's a rewarding "low impact sport".

Later this year we will put out a "call for players" in September through November Newsletter. December we apply for courts from the city then form our teams. We start play in January finishing in April. City permitting we will play Tuesday and Thursday.

This year's winning teams:

Tuesday "Team Campbell"

Pictured John and Marline Campbell with team mates Dave and Maureen Hodgkinson 11-2

Thursday "Team Wrona"

Pictured Gary Wrona, Ray and Kathy Davis, Aida Wrona with team mate Yvette Wrona 11-2

11-2 record is a high mark. Congratulations to all!

Thanks to Marvin Klein for kicking off the season, Dave Scarborough helping through the season and Ray Davis for putting the luncheon together.

Best wishes, and see you again next season.
