**Two actors, who were "America's Sexiest Couple" on a popular '80s sitcom, reunite for the first time in 30 years. They face a lifetime of unresolved issues, longings, resentments, and regrets. Plus, the network wants to reboot the show. Career and personal aspirations collide. Professionally and personally, where do they go from here?**

**DIRECTOR, Annie Rosemond enjoys all aspects of life behind the scenes of the theater, especially directing. She is most proud of directing a production of *Wit* starring the very talented Janina Birtolo. In addition to directing several plays with The Naples Players, Annie was cast in funny little parts like Queen Victoria in *Annie Get Your Gun* and Mother Burnside in *Mame*. Annie is happy to be back with The Marco Players family.**
