A sparkling romantic comedy by critically acclaimed actor Jeff Daniels, *Apartment 3A* is a treasure trove of quiet and humorous revelations as Annie confronts her fears and opens her heart to an unexpected suitor.

"Apartment 3A" might be the nicest apartment in the building, but it can't possibly be enough to make up for the day that Annie has had. A nasty breakup, an on-air meltdown, and a fledgling romance have left her faithless and heartbroken. So when a simple visit from an enigmatic new neighbor starts to change things for the better, Annie has to ask: Is it fate? Luck? Or divine intervention?"

MARCO BREWERY: For those that are interested, we can meet as a group for dinner prior to the performance at the Marco Brewery-Separate checks-order from the menu. Let us know on reservation form below.
