Return for a brief and shining moment to experience the beloved classic musical as you've never seen it before. The legendary King Arthur dreams of building a kingdom where chivalry and honor reign supreme, but his ideals are put to the test when his Queen falls in love with the young knight Lancelot. Eight actors give life to this enchanting, romantic tale, featuring a lush score created by the genius duo behind *My Fair Lady* all to create an unforgettable (k)night at the theatre.

Based on *The Once and Future King* by T.H. White, *CAMELOT*, Lerner and Loewe's 1960 follow up to *My Fair Lady*, is a story about the quest for democracy, striving for justice, and the tragic struggle between passion and aspiration, between lovers and kingdoms. This epic and timely tale features the iconic characters King Arthur, Queen Guinevere, and Sir Lancelot as well as the beloved original score with lyrics by Alan Jay Lerner and music by Frederick Loewe which includes "If Ever I Would Leave You," "What Do the Simple Folk Do?" and the title song "Camelot."
