*The Foreigner* is a fun, two-act comedy by American playwright Larry Shue. The story takes place in a fishing lodge in rural, Georgia where two Englishmen, Charlie Baker and Staff Sergeant Froggy LeSueur, arrive as guests. The shy Charlie agreed to accompany Froggy on the trip after his sick wife begged him to go. When people at the lodge try to talk to Charlie, however, he remains silent: he is terribly shy, depressed about his wife's illness, and cannot find the words to reply. Froggy claims that Charlie cannot talk because he is a "foreigner" from an exotic country, and does not understand English. Taking the explanation that he's a non-English speaker as fact, the lodge's guests quickly begin revealing their secrets, and Charlie soon discovers scandals amongst some of the residents of the lodge. The play has become a CLASSIC and staple of professional and amateur theatre. *The Foreigner* has earned two **Obie Awards** and two **Outer Critics Circle Awards** as Best New American Play and Best Off-Broadway Production in 1984.
