Mix a Hitchcock masterpiece with a juicy spy novel, add a dash of Monty Python and you have the intriguing, thrilling, riotous and unmissable comedy. The show hurtles a notorious fugitive and a spellbound blonde from a London music hall north by northwest to Scotland's most remote highlands. Will they save Britain from a den of devious spies? A cast of four actors plays over 150 characters in this fast-paced tale of an ordinary man on an extraordinarily entertaining adventure. The 39 Steps contains every single legendary scene from the award-winning movie — including the chase on the Flying Scotsman, the escape on the Forth Bridge, the first theatrical bi-plane crash ever staged, and the sensational death-defying finale in the London Palladium.
