THE MARCO MEN'S CLUB
PRESENTS
The Marco Players

"Art" by Yasmina Reza

At Marco Players @ Marco Town Center
Friday March 21 2014

Serge buys a modern painting for a relatively large sum of money. The painting is about five feet by four feet and is painted white with diagonal scars. Serge wants validation from his friends Marc and Yvan. They in turn questions their relationship with a man willing to spend such a large amount of money on something that they find hard pressed to consider "art." This Tony Award winning play focuses on the meaning of art as well as the meaning of friendship.
