Carole Fenstermacher (Playwright) is honored that Marco Players is presenting her labor of love, *Tango At Two-Thirty*. It began as three separate one-act plays: *Maureen's Last Wish* (Gulfshore Playhouse's annual contest, *Florida Stories*, 2007); *Say Goodnight, Rita* (Center for the Arts/Bonita Springs *Acting Showcase* 2012); and *Paradise Blue* (Naples Players' *ETC Evening of New Plays* 2010). This **world premiere** of *Tango at Two-Thirty* is about the lives of three couples who are residents at Lago Palms Village. Through their experiences, we explore the notion that love can come when it is least expected, and that age is no barrier to finding marital bliss. **HOST: MARGARET MOORES 239 389 8832 -**
