Subject: Marco Men's Club Sweetheart Ball

Dear Marco Men's Club Members

We sincerely regret having to cancel the Sweetheart Ball this year. For a variety of reasons we were not able to obtain reservation commitments from the minimum required by the Island Club. The Marco Men's Club had made a substantial financial commitment for decorations, free drinks and entertainment and in order to not waste these funds, a cancellation was necessary.

We will continue to plan events for those who feel safe in participating and look forward to the time when all members are comfortable with socialization.

We apologize for any inconvenience and look forward to seeing you at future events.

Jerry Swiacki
President
