

Anthony,
Thank you for contacting us from the MMC website.

In answer to your question, all currently booked events, and all future planned events that are still in the works, are available on the website on the COMING EVENTS page. Booked events have active links to their flyers. Click on the description to open the flyer, print it, and mail it in with your check. Future events are shown for your planning purposes, but flyers are not yet available.

This page can be accessed from almost any page on the website by pointing to the SOCIAL tab at the top of the page, and clicking on COMING EVENTS - PRINT FLYERS AND MAIL THEM IN. See screen capture below.

As an example here are the events you mentioned. But in both cases, these events are not yet available for booking. You can tell that because the description is not yet an active link. There is no flyer available at this time. Try clicking on any of the other descriptions to see the flyer for that event so you can see how this works.

JANUARY 2015			
2nd Thursday	MMC GENERAL MEETING @ MACKLE PARK 10AM BRING A GUEST	JOHN SUPERITS	394-6738

EVERY MONDAY MORNING CLICK FOR COORDINATORS	WEEKLY GOLF CLICK FOR LATEST INFORMATION	WARREN DETINGER	239-919-6850
Sunday, February 15, 2015	SWEETHEART BALL @ FOREST GLEN COUNTRY CLUB		

Each month, except in the summer, the club publishes the newsletter. Every member is mailed a copy. It includes all new flyers for booked events. As soon as the webmaster receives his paper newsletter in the mail he posts the flyers on the website and activates the link on the coming events page. At that time you can mail in the flyer with your check. All the instructions are on each flyer. Again, click on one to see what they look like.

The website is updated as new information becomes available, even in the summer when the paper newsletter is only published every other month. Use it as your primary source for club information.

If you have any further questions just reply to this email.

Thanks for visiting our website.
