Gus,

On behalf of the Board of Directors, I want to take this opportunity to welcome you to the Marco Men's Club. We are sure you will enjoy your membership, especially if you come to the monthly meetings and attend our many social gatherings. Women especially love the social events. You and will be invited to attend a new member breakfast, which is normally held in early February. Plan to attend next year. I am sure that you will enjoy it.

As you gain experience and develop friendships, you may want to help in the management of the club, as we are all volunteers. We are always receptive to new ideas and, of course, you are welcome to participate as a host for an event.

We use "email blasts" to provide club news about events, and other important information, including the monthly electronic newsletter. Please make sure you add Marco Men's Club and our email address, **marcomensclub@gmail.com**, to your contact list to prevent the eBlasts from going to Spam.

Please confirm that you received this email, so that we know that your email address is correct.

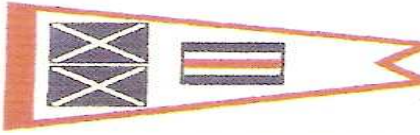

We have several social gatherings (luncheons, dinner parties, theater, etc.) monthly, most of which wives and guests may attend. We have three golf leagues, a Bocce league and attend several sports events as well. We have a computer club, investment club and a travel club. We also book ocean and river cruises that are very popular.

We hold our monthly General Meeting on the second Wednesday of the month. Our golf leagues, bocce ball league and various activity groups have been active throughout 2021. We general plan three cruises per year; details are available on our website. Recently, we have updated our activities calendar and there are a number of theater and dinner events that have been scheduled.

Once you get to the website, you can go directly to the monthly newsletter by hitting the "Current Newsletter" button in the middle of the page. Click on the "Upcoming Events" button to the right to view the events calendar where you can print flyers to sign up for events. Making early reservations in season is very important, as popular events fill up fast.

We have a special page on the website that is exclusively for new members. Visit the New Member page for in-depth information that will get you up to speed quickly. Please follow this link:

The club is also always looking for event "Hosts". In a most basic form, it involves putting on an event. Simple men's only lunch at a local restaurant, hosting 20-30 guys, or major parties with 75-80 couples. Should you be willing you will be assigned a Vice President to work with you and show you the ropes. Starting events are not all that difficult. If this should interest you, please let me or one of the VPs know, we will find something that works for you. More info here:

The General Membership Meeting is the second Wednesday of each month. It is held indoors at the Marco Lutheran Church. The meeting begins at 10:00 AM. Get there early to meet other members and enjoy coffee and donuts. We will order a name tag for you, which will be at the check-in table at the General Meeting. Please pick up your name tag at the next general meeting.

AGAIN, on behalf of the Board of Directors and the entire membership – WELCOME TO THE MARCO MEN'S CLUB. Please don't hesitate to call or email me if you have any questions.
