PRESIDENT'S MESSAGE

As I write this letter a nasty winter storm just passed through the Midwest and Northeast. Meanwhile in our little piece of paradise the weather has been wonderful, cool mornings and evenings with most of the day sunny and pleasant allowing a range of comfortable outdoor activities. I thank my lucky stars for guiding Kathryn and I to Marco Island!

Our annual holiday luncheon at Hideaway Beach was an overwhelming success thanks to hosts Steve Stefanides, Ray Seward and of course their significant others. Pat Thawley, Rose Kramer and Bonnie Bozzo led us in the holiday carols and Santa (some say Dave Walsh in disguise) distributed a load of presents for the many lucky attendees. The buffet style lunch was a hit both in the variety and quality of the food and of course the dessert. Thanks to all who helped make this a success.

The following evening Margaret Moores hosted a Marco Players production of 4 one act play to rave reviews. Thank you, Margaret, for continuing to provide us with local theater events.

We kicked off the new year with "Come Blow Your Horn" at the Marco Players hosted by Margaret Moores. Our January monthly meeting was attended by over 180 members and guests, definitely the largest meeting I have attended in the last 4 years! Our speaker was city councilman Sam Young who gave an interesting report on the water quality issues surrounding Marco Island. Following the main meeting we celebrated the Marco Men's Club 26th anniversary with a complimentary lunch for members. (A free lunch may have boosted attendance). The catering was provided by Prestige catering and the lasagna and side dishes and dessert were excellent. 154 members took advantage of the lunch.

The anniversary was celebrated with Bob Marks retelling the story of the club's foundation as well as a few anecdotes from the early club days. All of the past presidents regaled the members with recollections of their own of club history.

A topic discussed by myself and the prior presidents was the need for club members to participate as event hosts, activity chairmen and board members. The MMC provides an incredible number of high-quality activities and events and is dependent on volunteers to make all of this happen. From my experience, echoed by many, is that participation in the MMC is a great way to meet other community members and their spouses and is greatly personally rewarding. If you have an interest in participation at any

level of the club, I would encourage you to speak with any board member or committee chairman.

January saw the kick off of the weekly Bocce league. Marvin Klein is coordinating this activity which has a total of 83 players split between the Tuesday and Thursday leagues. The games are between 4 and 6 pm on those days and will run through April 4. If you wish to be a substitute please email Marvin at mlkcpa12@gmail.com. Registration for next year's league will be opening in November of this year.

Margaret Moores hosted a Marco Players presentation of Come Blow Your Horn, Randle Grossman hosted a Artis Naples performance by a tribute band to the Eagles "Hotel California" which was outstanding. Randle also hosted Pink Martini at the Artis. Finally, in January, Bob Marks led a group of our members on our 43rd cruise to the Caribbean on the mega ship Harmony of the Seas.

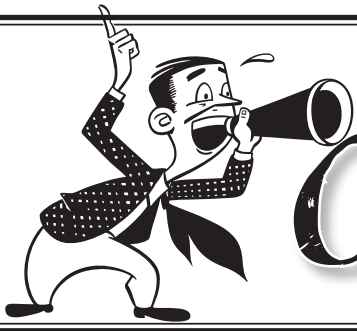

We have eight entertainment, theater and sporting events in the short month of February. Half were sold out very quickly after publication. I again urge you to sign up immediately if you have an interest in a particular event. We generally can provide a refund if you are later unable to attend and notify the host before the closing date. Hosts are also generally maintaining wait lists so don't hesitate to put your name on the list in the event of cancellations.

Jeff Dywan, the vice presidents and the committee chairmen have filled out the calendar through May with many exciting events. Please check out the coming events page on the website to participate.

Ed Crane, Don Zinner, Charlie Erker and Randle Grossman are working on implementation of an electronic payments system for payment of dues. This system will allow you to complete your registration online using a credit card which would eliminate the need to manually fill out the renewal form, enclose a check and mail it in. Of course, if you choose to continue with the old system it will still be available. If this system works smoothly we may be able to extend this to registration for all or most events.

Finally, I would like to extend a warm welcome to our new members – Bruce Brenner, Abraham Bengrazi, Chuck Iacovangelo, Roger Frederick, Bill Hulbig, Chuck Reich and Frank Ramona. We look forward to seeing you at future meetings and events.

Cell # 360-378-7860

MMC Monday AM play is at Hibiscus Nov through April. Nine Hole League plays 7:30 AM Wed at Eagle Lakes. Friday AM play is also at Hibiscus with TGIF league. See Coordinator page for more!

2019 RULE CHANGES- COMMENTS:

Knee height drop (shoulder not an option).
In club level play players have OB option to drop a ball in fairway where the ball entered OB and take a 2 stroke penalty.

Flagstick may be left in the hole for any putt (but must not be tended when left in).

When in Red Staked Hazards, grounding your club as part of your shot or removing loose impediments is allowed.

When in Sand Traps or Bunkers golfers may now move loose impediments but they still may **not ground the club as part of the shot.**

Cannot in any way test sand!

Unplayable Lies remedy now allows 2 options: dropping ball within a 2 club length radius semicircle no closer than at the spot of the lie, or on a line formed by flag and the unplayable lie as far back as you wish. Then at selected "go back" spot, player drops in a club radius circle. Either of above is a 1 stroke penalty.

GREAT OPTIONS FOR LIES IN THE "BUNCH GRASS", THE HUGE HIBISCUS MIXED IN WITH TALL PALMS, AND OTHER THICK PLANTINGS SO PREVALENT ON THE HIBISCUS COURSE!

SPRING SCRAMBLE MONDAY APRIL 29TH AT LELY MUSTANG COURSE!!

HANDICAP ISSUES: Many of our golfers are not getting all their scores into the HC system. Here's how our HC system works.

1. Score cards must be placed in the Gray Pouch labeled MMC Monday Golf kept at Hibiscus Pro shop desk. In the Summer that pouch is moved to Lely's covered stand at the golf bag drop.

2. For a score card to be used for HC it must have LAST names, DATE, TEE BOX played, and be both SIGNED and ATTESTED by members of the playing group.

3. All scores will be reviewed following the USGA Equitable Scoring rules and guidelines.

4. Only scores of MMC members or MMC golf only non-resident players will be processed.

5. The Handicap Chair then transfers the scores (corrected if necessary) to a spreadsheet with LAST and FIRST name, play DATE.

6. That data is sent to Roger Fredericks who enters it into a program that calculates players INDEX and specific HANDICAP for Lely Aqua and Hibiscus Gold Tees.

7. Roger generates a report to Al Vacio who, after reviewing it for accuracy, publishes it.

NOTE: If you have been turning in score cards that are not legible, or missing last names, date, or signatures...they are discarded. We cannot reconstruct or chase down missing information.

Also, score cards from Friday TGIF play are not automatically entered into MMC HC system.

If you want your Friday play score to go into MMC system keep 2 score cards. Place one in the TGIF pouch. Then place the second (duplicate) score card in the MMC gray pouch. You may have to ask for the MMC pouch because it is not left out on Fridays. It is stored in a folder that's in the file rack on the window credenza to left of the check in registers.

Filled with laughter and hilarious misadventures, four women bond to commiserate and to jumpstart their new lives. From the authors of "The Dixie Swim Club" and "The Red Velvet Cake War" By Jessie Jones, Nicholas Hope and Jamie Wooten A laugh-a-minute comedy about four Southern women, all needing to escape their day-to-day routines, drawn together by fate—and an impromptu happy hour. Randa, a perfectionist and workaholic; Dot, still reeling from her husband's recent demise; earthy and boisterous Marlafaye, a good ol' Texas gal; and new to town, Jinx, a spunky fireball, offers her services as a life coach for these women. Hilarious misadventures and the occasional liquid refreshment lead the ladies to discover lasting friendships and a renewed determination to live in the moment.

MARCO MEN'S CLUB PRESENTS THE MARCO PLAYERS BLACK TIE

FRIDAY, April 26, 2019
AT The Marco Players Theater
Marco Town Center (Next to Marco Island Brewery)
Performance Time: Doors open at 7:30 PM,
Show starts 8:00 PM Price per Ticket: \$30

A black-tie affair gets messy when cultures clash and time-honored ways of the past must be defended. An engaging comedy about generational shifts, Black Tie is insightful and touching. Father of the groom, Curtis, simply wants to make a memorable toast. But before he is able to raise his glass, he must defend the time-honored ways of his past, including his attire. Cultures clash when a surprise guest is announced, threatening to throw convention out the window. Curtis finds that balancing the standards of his late father and the needs of his future family may prove too messy for a black tie affair. "There are not many fixed verities in the world of the theater, but one of the few is that when A.R. Gurney returns to home territory—writing about the manners and morals of the white Anglo-Saxon Protestant upper class—the results will most likely be gratifying. Mr. Gurney's BLACK TIE...is one of this prolific writer's most enjoyable plays in years, a modest but effortlessly engaging comedy about the generational shifts in the subset of humanity Mr. Gurney has been writing about with warmth, humor and insight throughout his career...BLACK TIE is insightful and touching in its depiction of a man welcoming back that ghost many of us have to banish consciously from our minds as we grow older, the voice of a parent (or grandparent) that becomes an internal barometer of the propriety of our behavior, whether we like it or not." —NY Times. "A lighthearted romp about what really matters—manners...As usual, Gurney's dialog is sharp." —NYTheatre.com. "Wryly witty and warmly embracing of its characters' eccentricities and foibles, this generation-gap tale is a charmer—funny, observant, and altogether winning...highly satisfying, quietly touching...Gurney's faith in the ability of civil behavior to improve human relations may be quixotic in this increasingly selfish, solipsistic world, but this gentle cri de coeur persuasively argues that there's hardly any problem that wouldn't benefit from it." —BackSt
