Summer time on Marco Island! Those of us who live year-round are presently enjoying empty roads, empty stores, empty restaurants and empty golf courses to go along with the warm temperatures and afternoon thunderstorms. We have had some outstanding sunsets due to the Saharan dust blowing this way together with the normal evening clouds, this really is a paradise!

The MMC has been very active during June and July with great speakers and lively events. Brooke Nelson gave an interesting presentation on hearing technology at our June meeting. There were actually several of her clients in the audience to hear her discussion of hearing loss and the potential detrimental effects including a greater likelihood of dementia or Alzheimer’s disease. At our July meeting Dr. Rich Blonna gave a presentation on stress management. Rich talked us through stress factors and ways to cope with stress. He offered a free video on mindfulness and stress coping strategies. If you would like to receive this video email Rich at drrich@drrichblonna.com.

We kicked off the summer activities with Ring of Fire (a Johnny Cash musical) at the Broadway Palm hosted by Randle Grossman. The quality of the play and the performers were truly outstanding to go along with the delicious buffet prior to the performance. We are going to have another event in the near future at the Broadway Palm and I would encourage all who have not made the trek to Ft Myers to give it a chance.

Next up was the men only lunch at Little Bar hosted by Tim Clune. We had great lunch and were able to observe the preparations for Spammy Jammy which was held the following Saturday. Tim Clune also hosted the Father’s Day Brunch at Mango’s which was very well attended in a beautiful waterside environment.

After our general meeting Turk Tilev hosted a coed lunch at Pinchers Crab Shack on Marco. We had a large crowd who feasted on big fish sandwiches, burgers and grilled chicken salad.

Next up was a sold-out Bastille Day Brunch Buffet at Bistro La Baguette hosted by the ever-ebullient Clint Bunke. We happened to choose the day when France won the World soccer (football to the rest of the world) gold cup which made the date especially festive. A great time was had by all!

On July 24 our cruising members left to explore the gems of southeast Europe on AMA waterways. A two-week cruise through some very beautiful and historic areas of Europe.

Finally, Fred Stavola hosted the presentation of Chicago the Musical at the Sugden Theater in Naples.

Quite a busy summer so far!

Jeff Dywan and the vice presidents have several more activities planned for the summer months to take advantage of special summer pricing at some of Naples best restaurants. Jeff and his crew are also busy filling up the calendar for fall and winter activities. Check out the calendar and reserve early for some of these events as many venues limit the number of members who can attend.

The MMC board has met twice to discuss ways to provide value to our members through the additional resources available to the club due to elimination of the paper newsletter being mailed to all members. We have set aside a budget to begin sponsoring certain aspects of MMC events which in many cases involve absorbing the cost of entertainment for the particular event. The first event to benefit from this policy is the Hurricane Ball to be held on October 20. The MMC is picking up the cost of the entertainment and the fee which is charged for valet parking. This allowed the ticket price to be lowered to $67 per person from $75 last year.

Our plan is to continue to look for ways to provide benefits to all of our members through sponsorship of entertainment, gifts and prizes at major events and golf tournaments and at least two club sponsored lunches following our monthly membership meetings.

Ed Crane is continually making improvements to our website. If you haven't visited for a while I would suggest you peruse all of the information which is available. I would encourage you to navigate to the new member welcome page which is an excellent tutorial on the website. Here is the address which you can copy and paste on your browser -https://marcomensclub.com/NewMemberWelcome.htm.

Charlie Erker and Randle Grossman are busily updating membership lists and email communications as this media will be extremely important as we are all electronic going forward. If you haven't already please provide your spouse's or significant other's email address so they also receive these communications.

A warm welcome to our newest members Bob Nace, Joe Rassiccia, Henry Stanley and Erik Zoerb. We look forward to seeing you at our meetings and future events!

In closing I would like to recognize the efforts of all of the board members and event chairmen who dedicate so much of their time to making the Marco Mens Club such a fun organization with terrific activities and great fellowship. Thank you!

My best wishes for you and your family for the dog days of summer!

Morning Nine Hole League plays Wednesdays at Hibiscus. MMC Summer Monday play is at Lely for the Summer. MMC Summer Friday play is at Select Private Clubs. Check Coordinator page and contact monthly coordinator for more information!

SO FAR - MODERATE TEMPERATURES AND LITTLE RAIN COMBINED WITH GREAT COURSE SELECTION BY SUMMER COORDINATORS HAS MADE MMC SUMMER PLAY EXCEPTIONAL AND A GREAT VALUE! FINGERS CROSSED!!

REMARKER: Please bring your “A” Etiquette Game. Please fill all divots and keep pace of play on schedule. We want to be welcomed back in the future!

PROPOSED: MMC RULES OF GOLF are the same as USGA except for the following OPTIONS: 1. YEAR AROUND “winter rules” - lift, clean, and place “no closer than” within 1 ft of the original lie. 2. OB and “Lost ball” MAY be played with a 2 stroke penalty “no closer than” drop. The drop should be within 2 club lengths from where ball crossed OB line, or, if not OB, from the most likely “lost” position. 3. A lie may be moved or simply abandoned when dangerous wildlife interfere with play. Drop “no closer than” safe distance from wildlife without penalty. 4. Players with physical conditions that limit their ability to play, are encouraged to continue playing. Players with “medical exception committee” verified conditions may play with “committee approved” special rules. Those special rules will be valid for all play including tournaments. 5. All other play outside the rules of golf (Mulligans, replaying a duffed shot, dropping ball more than 2 club lengths, moving ball more than 1 foot when placing cleaned ball, etc.,) are not encouraged. If a player chooses to play “other than the rules” then

A. player must not slow pace of play and, B. MAXIMUM of 2 practice holes per round. C. for score card posting purposes treat the hole as a practice hole and, as such, post your HC for the hole. Practice play cannot result in a player posting a higher or lower score than their HC for that hole. ESC rules do not apply to practice holes! (Note. Be sure you are versed in USGA ESC score posting and “Ground Under Repair” rules.)

FEEDBACK/SOLUTIONS WELCOME!

RE FALL SCRAMBLE: If you have not played in our scramble events I encourage you to give it a try (SEE FLYER). The Spring event was so competitive that the top 3 placing teams were determined by Tiebreaker Rules that required looking at team scoring on the 6 most difficult holes!
Summer & Fall 2018 Golf Coordinators

Monday MMC play is on the new grass at Lely’s Mustang Course. Friday play will vary but be on some of the nicest turf and private courses in the area.
